Question/Answer:

Question 1: I am currently reviewing the RFP that was made available for the Minneola Athletic Complex. I understand the park is not complete, however, it is currently being used. Do you have a projected event schedule for the next year? It would be helpful in determining food and labor costs, as well as, menu offerings. We need to be sensitive of shelf life and the types of foods offered would have much to do with frequency and attendance.

Answer 1: Last year at the Minneola Athletic Complex we had approximately 1500 sports events. They included games, practices & tournaments. The days and the time of these sports events varied.
